

Great Decisions Discussion Group

Great Decisions is America's largest discussion program on world affairs. This program is designed by the Foreign Policy Association to bring people together in study groups to discuss, debate and learn about important global challenges of our time.

Any individual with an interest in expanding his/her knowledge of international relations as well as engaging in active discussion of crucial global issues is welcome to join. Each participant's point of view carries equal weight and everyone is encouraged to share opinions and ideas. Consensus is not a goal. The true focus of the Discussion Group is the critical examination of all issues and opinions, each recognized as equally valid.
