A Message from Pickleball Chair, Jayne Young

Welcome to our 2nd Pickleball Mixer Fundraiser. We are thrilled you are here. We have planned a fun afternoon for you. This event holds special meaning as it not only brings us together for a fantastic time of sport and socializing, but also serves a higher purpose. All of the proceeds from this fundraiser will be dedicated towards supporting the invaluable work of SCNOVA. An event like this is only possible thanks to the hard work and generosity of many. First, we want to acknowledge **Jason Wnuk**, COO of BlueChip Sports and the World Gate Health Club and Spa for the use of their pickleball courts and golf simulators. **Evan Katz** and **Ivan Pizarro**, Tennis Pros at Worldgate will be facilitating both the beginners training clinic as well as orchestrating the play for all skill levels throughout the event.

Our online Silent Auction has been masterfully coordinated by **Ann Smith** and **Ambre Tomlinson**. I hope each of you have had the opportunity to view our items and bid. The auction will close at 9:00 pm today. Thanks to all of our most generous silent auction donors.

Our covid friendly "grab and go" healthy snacks today have been coordinated by **Wanda Snuggs**, **Marta Linares**, **Linda Puff** and **Linda Shearer**. The deliciously healthy smoothies have been provided by Smoothie King on Maple Avenue in Vienna. Thanks to **Anne Nelson** for making this happen!

Melinda O'Brien has once again lent her interior design skills and has created our beautiful balloon arch. Our resident photographer **Marsha Komandt** is once again capturing the magic! Thanks to **Steve Gurney** of ProAging for organizing a fun challenge for our local senior living professionals

The success of this event would not have been possible without the tireless efforts and unwavering dedication of our incredible **Development Committee**. Their vision, passion, and commitment have laid the foundation for an event filled with joy, generosity, and unity. We extend our deepest thanks to each member of the committee for their hard work and outstanding contributions. A heartfelt thank you also goes out to our dedicated **staff**, whose expertise and diligence have been crucial in the planning and execution of this event. Their unwavering support and attention to detail have ensured that today will run smoothly and leave a lasting impact on our guests.

We gratefully acknowledge the support of our generous sponsors, whose contributions have made a significant difference in helping us achieve our fundraising goals. Their belief in our cause and willingness to invest in the well-being of our senior community is truly commendable. To our in-kind donors, we express our sincere appreciation for your generosity in providing essential resources and services that have enhanced the quality of our event. Your support has been invaluable, and we are deeply grateful for your partnership.

You will notice that this year's event program is greatly improved. It's a Community Service Guide and includes useful community information as well as a listing of local businesses and our generous sponsors. We hope you will find this guide useful and retain it for future reference.

It has been both a pleasure and an honor to work with this talented and dedicated team. They are quite simply the best!

Warm regards, Jayne Young, Event Chair

A Message from our Chairman of the Board, Scott Schroth

We are so excited to celebrate our 25th Anniversary with the second Pickleball Fundraiser, hosted by our wonderfully generous supporter Worldgate Athletic Club and Spa. This event was made possible by the extraordinary work of our Development Committee, the staff, and the many donors and sponsors highlighted in this program. Our thanks to everyone who supports our mission to serve older adults in Fairfax County.

It has been 25 years since SCNOVA was founded by local visionaries inspired by the work of Shepherd's Centers of America and founder Elbert Cole. Since then, we have provided thousands of volunteer opportunities, educational and social programs, and critical support services to older adults in our service area.

The ongoing support of the community, the county, local government, faith affiliates, local businesses, and dedicated financial supporters has allowed us to sustain and grow the mission over the past quarter century.

The Board of Directors would like to thank everyone for their support over the years. I hope we can write a similar message in another 25 years!

Best,

W. Scott Schroth

Chairman of the Board

A Message from our Executive Director Carolyn Pennington

Welcome to the Shepherd's Center of Northern Virginia's 2nd Annual Pickleball Mixer & Fundraiser! This long-awaited day is the culmination and success of many, many people and we thank all of you for your outstanding efforts. This event not only raises awareness for the work of SCNOVA by, with, and for older adults but also highlights the many successes that can be accomplished by partnering with county, corporate, and individual support. I recently spoke with several transportation clients, and they all spoke with the same fervent appreciation using words like "game changer" and "lifesaver". One person said that they would not have been able to get to rehab following heart surgery without the SCNOVA program!

We, too, feel the same way about our partners, friends, and supporters who are "lifesavers" and "game changers" for us. Because of your support, this year we have been able to drive over 1,600 miles for medical and nonmedical transportation and serve hundreds of clients throughout the many programs we offer. SCNOVA offers a unique opportunity for volunteers and clients alike to find meaning, purpose, and connection. Often the rides provide the only companionship a person may have that day. One client said she loves the rides as she doesn't have to rely on her cat for conversation! Our volunteers also find much joy and satisfaction in supporting others and extending friendships, be it as drivers, office volunteers, and/or committee members.

SCNOVA has been a joyously loud voice on behalf of older adults for the last 25 years. And, as the needs of older adults are on the rise, I hope you will join us to meet this growing demand. Together we can empower healthy aging for older adults, for the homebound, and for the lonely. That said, please enjoy this beautiful day to celebrate our success and we look to the future with great hope.

Best,

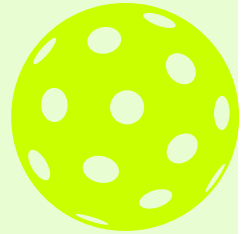

Carolyn Pennington

The Mayor's Office

Dear Friends,

Thank you for supporting the Shepherd's Center of Northern Virginia! As Mayor of the Town of Vienna, I've seen the impact of the center's important work to enable seniors in our community to live independently and enjoy a high quality of life. The Shepherd's Center provides fun and engaging social events that keep seniors mentally, emotionally, and physically challenged. The center's educational workshops and classes enrich lives and keep minds strong.

I am thankful for the many skilled volunteers that provide transportation, home repairs, food delivery and companionships. Volunteers are not only enriching their lives but the lives of many others in our community. Each year, I am honored to recognize the Shepherd's Center and its many volunteers at the Vienna Mayor's Volunteer Reception. This organization's continued efforts to support our seniors is invaluable, and I am grateful for its longstanding service to our community.

Sincerely,

Linda J. Colbert

Dear Friends,

I am writing this letter in support of the Shepherd's Center of Northern Virginia (SCNOVA) and their value as a community organization. SCNOVA is a member of the Shepherd's Centers of America (SCA) and is one of nearly 60 Shepherd's Centers located throughout North America.

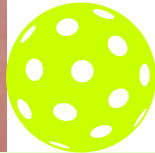

As a volunteer-based nonprofit organization, the Shepherd's Center of Northern Virginia is dedicated to promoting and supporting independent living for older adults through food deliveries, transportation assistance, support services, lifelong learning, and cultural enrichment opportunities. Currently, the SCNOVA serves over 3,000 seniors in Fairfax County and their impact is continually growing!

In addition to providing transportation assistance and minor home repairs, the Shepherd's Center offers wonderful programs such as Friendly Caller, Friendly Visitor, and Caregiver Support Group. In 2022, Shepherd's Center of Northern Virginia volunteers provided over 2,126 round-trip rides for their clients. The incredible team of dedicated volunteers contributed over 8,000 hours of service to improve the lives of seniors in Northern Virginia.

We are grateful to the Shepherd's Center and their volunteers for the many hours they contribute to serving our community and helping older adults and seniors.

Sincerely,

Dear Shepherd's Center of Northern Virginia Team:

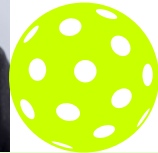

Since the founding of the Shepherd's Center of Oakton-Virginia (SCOV) in 1997, you have successfully expanded your services and now include Oakton, Vienna, Dunn Loring, Reston, Herndon, and Great Falls. The change in the organization's name to *Shepherd's Center of Northern Virginia (SCNOVA)* reflects not only your expanded geographic footprint but also the call for the services you provide our community.

On behalf of the community we both serve, I thank you for your commitment to improving the quality of life of our aging population. Through supportive programs and services, including personal enrichment and volunteer engagement, you enable our residents to live full and productive lives while aging in place. I am especially appreciative that during the pandemic, when our seniors were in a more vulnerable environment, you were dedicated to remaining open to deliver essential supplies, provide transportation, and pivot the *Adventure in Learning* classes and *Caregivers Support Group* to a virtual setting. Your efforts to ensure that your clients are surrounded by a supportive community are truly commendable.

I appreciate all that you do for our community. If there is any way I can provide support to your organization, please do not hesitate to contact me at Providence@fairfaxcounty.gov or (703) 560-6946.

Sincerely,

A Tribute to Tom Portman

Join us in celebrating the life of a truly incredible man. It is with great sadness that we bid farewell to the late Tom Portman. Tom was a beloved member of the Board of Directors for the Shepherd's Center of Northern Virginia, serving as Secretary and member of both the Executive and Development Committees.

Tom began as a volunteer with the Shepherd's Center in 2009 writing grants and eventually expanded his involvement by joining the Board in 2012. He was a United States Air Force veteran working as a Korean linguist and intelligence analyst while on active duty. He also worked as civilian intelligence analyst for the U.S. Navy. After his Air Force and Navy service Tom became an attorney working in the satellite and telecommunications industry.

Tom was the leading voice and developer of the **Shepherd's Center's Veterans Initiative**, an effort to expand our current friendly caller and friendly visitor service. Currently in the planning stages, the Veteran Friendly Caller and Veteran Friendly Visitor service is designed to pair a veteran volunteer with a veteran client with a goal of reducing isolation and loneliness among veterans and ultimately reducing veteran suicides. Tom also co - chaired both of our Galas in 2018 and 2019.

He will be remembered for his musical talents, extraordinary philanthropic efforts, bright humor, kind heart and warm disposition. The world was better with Tom in it. We extend heartfelt condolences to his lovely wife, Robin and their sweet dog Creedence, (the flying Aussie).

An ornate, gold-colored floral border with intricate scrollwork and leaf patterns, framing the central text.
