A Message from Pickleball Chair, Jayne Young

Welcome to our 3rd Pickleball Festival Fundraiser. We are thrilled you are here. This event holds special meaning as it not only brings us together for a fantastic time of sport and socializing, but also serves a higher purpose. All the proceeds from this fundraiser will be dedicated towards supporting the invaluable work of SCNOVA. An event like this is only possible thanks to the hard work and generosity of many. First, we want to acknowledge **Jason Wnuk**, COO of BlueChip Sports, **Evan Katz** and **Ivan Pizarro**, Worldgate Tennis Pros for facilitating both the beginners training clinic as well as orchestrating the play for all skill levels throughout the event. We would also like to acknowledge **Gary Rappaport** for donating the use of the pickleball courts and golf simulator located in the Worldgate Health Club & Spa.

Our online Silent Auction has been masterfully coordinated by **Anne Nelson**, **Kathy Geiger** & **Ambre Tomlinson**. I hope each of you has had the opportunity to view our items and bid. The auction will close at 5:00 pm tomorrow evening. Thanks to all our generous silent auction donors.

Our delectable bites have been coordinated by **Wanda Snuggs**, **Marta Linares**, **Linda Puff** and **Linda Shearer**. The yummy mock margaritas and courtside waters have been provided by **Kerry & Rob Massie of Brightstar Care**. Thanks also to **Steve Gurney of ProAging** for organizing a fun challenge for our local senior living professionals

The success of this event would not have been possible without the tireless efforts and unwavering dedication of our incredible **Development Committee**. Their vision, passion, and commitment have laid the foundation for an event filled with joy, generosity, and unity. We extend our deepest thanks to each member of the committee for their hard work and outstanding contributions. I would be remiss if I didn't acknowledge the efforts of **Kerry Massie**, who served as the co-chair of our committee. A heartfelt thank you also goes to our dedicated **staff**, whose expertise and diligence have been crucial in the planning and execution of this event. Their unwavering support and attention to detail have ensured that today will run smoothly and leave a lasting impact on our guests.

We gratefully acknowledge the support of our generous sponsors, whose contributions have made a significant difference in helping us achieve our fundraising goals. Their belief in our cause and willingness to invest in the well-being of our senior community is truly commendable. To our in-kind donors, we express our sincere appreciation for your generosity in providing essential resources and services that have enhanced the quality of our event.

It has been both a pleasure and an honor to work with this talented and dedicated team. They are all quite simply the best!

Warm regards, Jayne Young, Event Chair

A Message from our Chairman of the Board, Scott Schroth

As the Chair of the Board of Directors for The Shepherd's Center of Northern Virginia, I want to sincerely thank all the wonderful supporters and sponsors who have helped us achieve our fundraising goals for 2024. This guide contains many of the organizations and businesses in our northern Virginia community that are critical to making our lives easier and more enriched, particularly for the older adult clients, participants, and volunteers that depend on SCNOVA for services and programming.

We hope that you will find these pages brimming with important information, resources, and contacts for a wide array of local needs. Support them so that they can continue to support the community and important non-profit organizations like SCNOVA!

A Message from our Executive Director Carolyn Pennington

Welcome to the Shepherd's Center of Northern Virginia's **3rd Annual Pickleball Festival and Fundraiser!** This event has become a much anticipated day for many in our community. We are so very thankful for everyone who made this day special. I would like to thank:

- The SCNOVA Development Committee headed by Jayne Young. These dedicated volunteers started planning this event in January!
- The SCNOVA Board of Directors for their support.
- The SCNOVA staff and volunteers who gave months of time and effort.
- Steve Gurney and the NVSRN ambassadors who enthusiastically championed our cause.
- Corporate Sponsors who support us so we can in turn serve the older adult community with critical needs and services. Please make an effort to support these companies who support us!
- The Worldgate and Blue Chip team in hosting and helping manage the event.
- All the participants who came to play pickleball!

I am so privileged to work with such a dynamic and dedicated group of people!

As a nonprofit organization, we focus on meeting the needs of older adults in our community. We have a growing need for volunteers and encourage everyone to volunteer in whatever capacity they can. As noted by the U.S. Surgeon General, Dr. Vivek Murthy, by supporting community efforts that build social connection we build lives that are happier and healthier.

Thank you again for making this event a success. Your involvement, whether as a player, volunteer, sponsor, or supporter, makes a significant impact on the lives of older adults in Northern Virginia. Together, we are building a stronger, more connected community.

We look forward to seeing you at next year's festival, and we hope you continue to stay involved with the Shepherd's Center of Northern Virginia.

Dear Friends,

I am very pleased to welcome you to the Shepherd's Center of Northern Virginia's Pickleball Festival! It is a great honor to represent Virginia's 11th District in Congress, which is home to many of the seniors who are able to age in place and continue to live full and productive lives utilizing services provided by the Shepherd's Center of Northern Virginia (SCNOVA).

Today, the senior population in Fairfax County is 14.2 percent of the total population. It is also the fastest growing demographic. We are seeing more older residents choosing to age in place, to stay near their family and friends, to volunteer and share their talents, or to simply enjoy retirement in the community they call home. This is why it is so vital that we provide resources that will allow individuals who are growing older in our community to live full and productive lives.

SCNOVA knows that it is critical that we remain engaged and fully integrated in our communities as we age. They provide services to help older adults continue living independently, and it offers programs that supply opportunities for enrichment, learning, and socialization. SCNOVA has allowed countless numbers of seniors to age in place and enjoy their golden years with dignity and independence, and they have become a critical lifeline over the past few decades.

Thank you to the Shepherd's Center of Northern Virginia for your tireless work on behalf of our older population here in Fairfax County. Please accept my very best wishes for a successful event!

With warmest regards,

Gerald E. Connolly

I commend The Shepherd's Center of Northern Virginia on your 2024 Pickleball Fundraiser and for your tireless service to our community and extend my best wishes for a successful and fulfilling event.

Dear Staff and Friends of the Shepherd's Center of Northern Virginia,

It is a privilege to once again serve as honorary chair of your Pickleball Festival 2024 as the Shepherd's Center of Northern Virginia celebrates its 25th anniversary.

Not only is this fun event for a worthy cause — but also it exemplifies the Center's work to foster social connections, well-being and independent living for older adults.

Your organization, with its many dedicated volunteers, provides critical services for older adults, such as transportation assistance. This year the Center celebrates a major milestone: providing over 22,000 rides for older adults since its founding in 1998, among many other accomplishments.

Thank you for all your contributions so older adults can live full and engaged lives. Congratulations on 25 years of service to our community!

Dear Friends,

I am pleased to support the Shepherd's Center of Northern Virginia and take this opportunity to celebrate the important work the Shepherd's Center, their volunteers, and their partners do to improve the lives of 3,000 seniors in Fairfax County.

As one of nearly 60 Shepherd's Centers located throughout North America, the Shepherd's Center of Northern Virginia is dedicated to promoting and supporting independent living for older adults through food deliveries, transportation assistance, support services, lifelong learning, and cultural enrichment opportunities.

In addition to providing transportation assistance and minor home repairs, the Shepherd's Center offers wonderful programs such as Friendly Caller, Friendly Visitor, and Caregiver Support Group. In 2023, Shepherd's Center of Northern Virginia volunteers provided over 2,287 rides for over 450 clients. The incredible team of dedicated volunteers contributed over 8,000 hours of service to improve the lives of seniors in Northern Virginia.

We are grateful to the Shepherd's Center of Northern Virginia and their volunteers and partners for the many hours they contribute to serving our community and helping older adults and seniors. This work makes a difference!

Dear Shepherd's Center of Northern Virginia Team:

Since the founding of the Shepherd's Center of Oakton-Virginia (SCOV) in 1997, you have successfully expanded your services and now include Oakton, Vienna, Dunn Loring, Reston, Herndon, and Great Falls. The change in the organization's name to *Shepherd's Center of Northern Virginia (SCNOVA)* reflects not only your expanded geographic footprint but also the call for the services you provide our community.

On behalf of the community we both serve, I thank you for your commitment to improving the quality of life of our aging population. Through supportive programs and services, including personal enrichment and volunteer engagement, you enable our residents to live full and productive lives while aging in place. I am especially appreciative that during the pandemic, when our seniors were in a more vulnerable environment, you were dedicated to remaining open to deliver essential supplies, provide transportation, and pivot the *Adventure in Learning* classes and *Caregivers Support Group* to a virtual setting. Your efforts to ensure that your clients are surrounded by a supportive community are truly commendable.

I appreciate all that you do for our community. If there is any way I can provide support to your organization, please do not hesitate to contact me at Providence@fairfaxcounty.gov or (703) 560-6946.

Sincerely,

Dalia Palchik

The Mayor's Office

Dear Friends,

Thank you for supporting the Shepherd's Center of Northern Virginia (SCNOVA)! As Mayor of the Town of Vienna, I have seen the impact of the center's important work to enable seniors in our community to live independently and enjoy a high quality of life. The Shepherd's Center provides fun and engaging social events that keep seniors mentally, emotionally, and physically challenged. The center's educational workshops and classes enrich lives and keep minds strong.

I am thankful for the generous donors, sponsors and skilled volunteers that provide transportation, home repairs, food delivery and companionships. Volunteers are not only enriching their lives but the lives of many others in our community. Each year, I am honored to recognize the Shepherd's Center and its many volunteers at the Vienna Mayor's Volunteer Reception. SCNOVA'S efforts to support our seniors is invaluable, and I am grateful for its longstanding service to our community.
