MEDIA RELEASE

Shepherd's Center of Northern Virginia

Volunteers Recognized for Exemplary Service.

April 22nd, 2025, at 7:00 pm the Town of Vienna hosted its 24th annual Volunteer Recognition Day in the Flame room of the Vienna Fire Department. Shepherd's Center of Northern Virginia volunteers Michelle Barrett Shea, Joseph Stone, Sam Ghanaïm and Jack Roney received volunteer recognition awards presented by Town of Vienna (Virginia) Mayor Linda Colbert, for their exemplary efforts and countless hours of service to the town and surrounding communities there out.

We at the Shepherd's Center of Northern Virginia would like to congratulate all of the recipients and extend personal gratitude to all of the volunteers that work tirelessly to encompass our vision of transforming aging into an empowering experience to live a life of meaning and carry out our mission of creating meaningful opportunities for service, lifelong learning, social connection, individual well-being, and independent living for older adults, in the communities we serve.

The Shepherd's Center of Northern Virginia is dedicated to improving the quality of life through supportive programs and services, personal enrichment, and volunteer engagement that enable our senior neighbors to live full and productive lives while aging in place. Our hundreds of trained and vetted volunteers serve as medical and companion transportation drivers, friendly callers and visitors, food delivery drivers, handy helpers, healthcare advocates, and lifelong learning and cultural enrichment enthusiasts. Please be sure to like us on Facebook (The Shepherd's Center of Northern Va.), Instagram (@Shepherds_Center_Nova), and LinkedIn. SHARE so others can learn about the services we offer!
