A Message from Pickleball & Golf Chair, Jayne Young

Dear Friends.

It is my great pleasure to welcome you to our 4th Annual Pickleball Festival and Golf Tournament! On behalf of the Shepherd's Center of Northern Virginia, I would like to extend my heartfelt thanks for your presence, your generosity, and your unwavering support of our cause.

This event is more than just a gathering — it is a powerful reminder of what we can achieve when we come together for a purpose greater than ourselves. Thanks to your participation, we are making real strides toward transforming the daily lives of seniors in our community, through both our free services and our social programs.

Organizing this evening has been a labor of love, and I am deeply grateful to the volunteers, sponsors, donors, staff and planning committee who worked tirelessly to bring everything to life. Their commitment and kindness are the backbone of this event's success. This event would not be possible without the generosity of Gary Rappaport for donating the venue, Len Adler for his continue generous support and the BlueChip team, who facilitate the play.

Please take a look at the event planning committee picture, each of them worked tirelessly to create a spectacular event for you to enjoy. All committee members will be wearing pickleball earrings today, please thank them for their efforts when you see them. It has been both a pleasure and an honor to work with this talented and dedicated team. They are all quite simply the best!

Whether this is your first time joining us or you've been with us from the beginning, I hope today fills you with inspiration and pride. Every ticket purchased, every item bid on, every word of encouragement moves us closer to our mission.

Thank you once again for being here. Together, we are making a lasting difference.

With gratitude,

Payne P. Young

A Message from our Chairman of the Board, Scott Schroth

Dear friends of SCNOVA,

As the Chair of the Board of Directors for The Shepherd's Center of Northern Virginia, I want to again offer my sincere thanks to all the wonderful supporters and sponsors who have helped us achieve our fundraising goals for 2025. This guide contains many of the organizations and businesses in our community that are critical to making our lives easier and more enriched, particularly for the older adult participants and volunteers that depend on SCNOVA for services and programming.

These sponsors are critical to the lives of so many in our community, and they are generous supporters of non-profits and other local service providers for residents of Northern Virginia. We hope you will join us in offering thanks and support for their efforts by considering them when you need resources or services.

A Message from our Executive Director Carolyn Pennington

4th Annual Pickleball and Golf Festival!

This event is not only a celebration of community but also an opportunity to shine a spotlight on our mission: to support older adults with programs and services that enhance well-being, foster engagement, and build connection.

The Shepherd's Center of Northern Virginia (SCNOVA) is a volunteer-led organization, and we are truly blessed to have dedicated volunteers leading so many of our programs and projects. In particular, we extend heartfelt appreciation to our Development Committee, led by Board Co-Chair Jayne Young. Jayne's tireless dedication to SCNOVA and the participants we serve spans many years. Her leadership ensures that our mission continues—providing older adults with opportunities for health access, food stability, social engagement, and purpose-driven volunteering.

We also extend our gratitude to our elected officials who, with the same sense of dedication, share our vision for healthy and engaged communities.

Our sponsors embody generosity and stewardship. We are proud to recognize Len Adler and the Adler Foundation, Robin Portman, the Worldgate team, and Rappaport Companies, along with many others listed throughout this program. Their support makes this festival possible.

And finally, a very special thank you to our players, who bring enthusiasm, energy, and joy to this event year after year, making it such a memorable tradition.

Welcome—and let the fun begin!

The Shepherd's Center of Northern Virginia would like to join so many other Fairfax County organizations and residents in offering a tribute to Congressman Gerry Connolly. Congressman Connolly passed away earlier this year, and our county and the Northern Virginia region lost a long-time friend and advocate. Dating to his days on the Fairfax County Board of Supervisors and continuing through his long service in the US Congress, Rep. Connolly was always a knowledgeable champion for the needs of older adults. He was a wonderful supporter of our mission over the past quarter century. Rep. Connolly or members of his staff have been cherished participants in many of our SCNOVA volunteer recognition and Gala events over the years. We will all miss his energy, compassion, and humor.

Dear Staff and Friends of the Shepherd's Center of Northern Virginia,

It is a privilege to once again serve as honorary chair of your 4th annual Pickleball and Golf Festival.

I am honored to support this event that assists the Shepherd Center to carry out its mission to enable older adults to live healthy, connected and engaged lives.

The center's impact for Northern Virginia seniors is wide-ranging. Since 1998, your transportation program has provided more than 26,645 one-way rides, ensuring that seniors can maintain their independence and access essential services.

Your healthy aging programs enable seniors to stay physically active and socially engaged. From Friendly Callers and Visitors who combat isolation, to Social Lunches that foster engagement, to active wellness programs including Tai Chi and your new walking group, you are helping over 1,000 older adults maintain vibrant, connected lives.

In fact, I had the distinct pleasure of joining your walking group earlier this year for a wonderful afternoon of conversation, new friendships and exercise.

Thank you for building a community where aging is met with dignity, support and opportunity.

Respectfully,

2025

Dear Friends,

I am writing in strong support of the Shepherd's Center of Northern Virginia (SCNOVA) and to recognize their longstanding dedication to serving older adults in our community. On the occasion of their Annual Pickleball Festival and Golf Tournaments, I commend their efforts to bring people together in celebration of community, wellness, and volunteerism.

As a volunteer-driven nonprofit, SCNOVA plays a vital role in helping older residents of Fairfax County and the surrounding areas remain connected, supported, and independent. Through programs such as transportation assistance, food deliveries, minor home repairs, and friendly check-in services, SCNOVA meets essential needs while fostering social engagement and dignity for older adults.

The impact of SCNOVA is significant: in just one year, volunteers provided over 9,000 hours of service and provided nearly 3,000 one-way rides to seniors needing transportation to medical appointments, grocery stores, and other critical destinations. Their offerings also include enriching lifelong learning classes, a caregiver support group, and initiatives that address loneliness and isolation-issues that affect many in our aging population.

I am deeply grateful to the staff and volunteers of the Shepherd's Center of Northern Virginia for their unwavering commitment to building a stronger, more inclusive community for older adults. Events like the Pickleball Festival and Golf Tournaments not only raise funds to support this important work, they also highlight the vibrant spirit and collaboration that define SCNOVA's

Please join me in celebrating and supporting the Shepherd's Center and the many volunteers who make this work possible.

Dear Shepherd's Center of Northern Virginia Team:

On behalf of the community that we both serve, I thank you for your commitment to improving the quality of life of our aging population. Since the founding of the Shepherd's Center of Oakton-Vienna (SCOV) in 1997, you have expanded your reach and impact significantly, now serving the communities of Oakton, Vienna, Dunn Loring, Reston, Herndon, and Great Falls.

Through supportive programs and services, including personal enrichment and volunteer engagement, you enable our residents to live full and productive lives while aging in place. Your efforts to highlight and address critical needs such as senior transportation, social isolation, and support for individuals living with dementia and their families are deeply appreciated. The events and celebrations you host are especially meaningful, as they foster joy, friendship, and community among our aging residents.

I appreciate all that you do for our community.

Sincerely,

Dear Friends,

Thank you for supporting the Shepherd's Center of Norther Virginia (SCNOVA)! As Mayor of the Town of Vienna, I have seen the impact of the center's important work to enable seniors in our community to live independently and enjoy a high quality of life. The Shepherd's Center provides fun and engaging social events that keep seniors mentally, emotionally, and physically challenged. The center's educational workshops and classes enrich lives and keep minds strong.

I am thankful for the generous donors, sponsors and skilled volunteers that provide transportation, home repairs, food delivery and companionships. Volunteers are not only enriching their lives but the lives of many others in our community. Each year, I am honored to recognize the Shepherd's Center and its many volunteers at the Vienna Mayor's Volunteer Reception. SCNOVA'S efforts to support our seniors is invaluable, and I am grateful for its longstanding service to our community.

Sincerely,

Sink Globlet Linda J. Colbert Mayor

To the Shepherd's Center of Northern Virginia,

It is with deep appreciation that I recognize the powerful impact the Shepherd's Center of Northern Virginia has had on our Herndon community.

Through more than 7,000 volunteer hours each year, the Shepherd's Center delivers not only essential services, like rides to medical appointments, friendly calls, and grocery assistance, but also the most human of offerings: time, dignity, and connection. Programs like lifelong learning courses and tech tutoring ensure that older adults are not left behind but lifted up, included, and seen. Your work reminds us that service doesn't always look like grand gestures but more often it is a presence and voice that says, "You're not alone."

There's a quote I often return to: "To the world you may be one person, but to one person, you may be the world." That's what Shepherd's Center volunteers are—the world—to those they serve. You are the steady presence that fills the gaps, eases the burden on families, and allows neighbors to age with grace and independence.

In a town like Herndon, where we pride ourselves on being close-knit, your work ensures that every generation stays connected and valued. Your example is what we strive for in building a truly inclusive, caring community. If you've ever wondered how to make a difference in someone's life...this is it. I encourage everyone in our community to support the Shepherd's Center, whether by donating, volunteering, or simply spreading the word. Your generosity helps ensure that this remarkable work continues, and that no neighbor ever feels forgotten or left behind.

Thank you for all you do, and please know how deeply your efforts are felt and appreciated.

With heartfelt gratitude,

Keven LeBlanc, Jr. Mayor, Town of Herndon

In doing so over the years, the Rotarians of this club have delivered services and created events that have enrich the local community and contributed to global efforts to improve the human condition. Our 35,000+ clubs work together to promote peace, fight disease, provide clean water, sanitation, and hygiene, save mothers and children, support education, and grow local economies.

Our club is a close knit but warmly welcoming group of people striving to meet the demands of helping people globally and providing positive examples right here at home. We have a great deal of fun together but are goal-minded and diligent in accomplishing what we set out to get done. Always need of support, we immensely appreciate every new member who comes to share in the group's responsibilities and friendship. If you're curious, please contact us to find out more. Having A Care Manager Reduces Healthcare Costs & Enhances Quality!

Eldementals

Concierge Style RN Care Management to Fit Any Need & Budget!

Today's healthcare environment can be challenging & frustrating!

Not when you have a care manager!

Care managers help older adults and their families navigate the many complexities of aging, including health, housing, financial, and social needs. A care manager is essential for those:

navigating a hospital discharge, needing guidance for care support and relocation (in home, assisted living, etc), having family disagreements regarding care, experiencing resistance to care, in need of medical advocacy, or those with complex care needs, Dementia, Parkinson's, distant families, and solo agers!
